Remarks :

- Charges of International SMS will be counted on each message sent, whether or not transmission is successful.
- International SMS is applicable to text messages only. One message is equivalent to 70 Chinese characters or 160 English letters. Chinese-character display depends on individual handset model and overseas network operators.
- The delivery or receipt of International SMS is dependent upon the overseas operators' network conditions.
- The charged International SMS sending fee would not be refunded, even if the SMS is not successfully delivered due to network condition, or recipient using inapplicable handset, or recipient fails to save the SMS properly in the handset.
- Some handsets and mobile apps may trigger SMS usage, it is suggested to go through the Terms & Condition before downloading or using the services to avoid unnecessary charge.
- The above information is the latest contents provided by i-CABLE Telecom Limited.
- The above charges and service details are subject to change without prior notice.
